BARFER'S BEST

BARFER'S BEST

Complementary feed for dogs

Barfen is becoming more and more popular among dog owners. **Canina® BARFER'S BEST** for a balanced and varied B.A.R.F. meal! A 100% natural product - without additives. The best at B.A.R.F. (Biologically appropriate raw feeding)

Canina® BARFER'S BEST contains all vitamins and minerals of natural origin including calcium, a daily requirement for dogs fed with raw meat, to maintain active and powerful. In combination with [Canina® BARFER'S OIL](#) (supply of essential fatty acids) the raw fed dog is optimally nourished.

Canina® BARFER'S BEST contains:

- **Algae lime** - a source for calcium, absorbed easily and essential for a healthy bone structure, teeth, claws and musculature – activates numerous enzyme systems, controls nerve impulses and supports heart activity.
- **Natural seaweed** - supply vitamins, micro minerals such as iodine, fluorine and enzymes, amino acids and improve the pigmentation of coat, nose mirror and paws – the best, natural mineral donor!

- **Yeast** - supplies a multitude of amino acids, B vitamins and minerals such as copper, iron, manganese and zinc; it has a positive effect on skin and hair and promotes motivation and vitality.

Together with [Canina® BARFER'S OIL](#) the B. A. R. F. meal for the growing dog is complete.
